May the 4<sup>th</sup>  
be with you.

We are proud to recognize our incredible students who in the month of March from PK through 8th grade truly embody our faith and values through the J & M Awards.

The Jesus Christ Award honors students who live as faithful followers of Christ, showing kindness, compassion, and love in their daily actions.

The Blessed Mary Award celebrates those who model Mary's virtues through devotion, humility, and a caring spirit.

These students inspire us all by living out their faith both inside and outside the classroom. We are so proud of their commitment to being shining examples in our school community!

Congratulations to the honorees and celebrating the beautiful ways they walk in faith each day!
