WEEKLY WONDERS: MESSY, MAGICAL LEARNING!

Our Kindergarten and 1st grade students have been having an autumn-tastic time at Fall Club, which runs every Thursday from 3-4 PM through November 20! Each week brings a new seasonal adventure filled with creativity, laughter, and hands-on fun.

Our little artists crafted beautiful autumn wreaths, and this week, things got pumpkin perfect! The kids will be decorating pumpkins, carving their own spooky designs, and even making homemade roasted pumpkin seeds!
