SBRs Rocks the 50th Day of School

Sock hops, poodle skirts, and cool leather jackets, SBRs was rockin' and rollin' through 50 days of school '50s style! Our students showed off their best retro looks, full of smiles, spirit, and fun! From shiny, slicked-back hair to twirly skirts and bobby socks, it was a totally fab day celebrating 50 days of learning, laughter, and friendship.

A huge thank-you to everyone who joined the fun and helped make our 50th day the coolest celebration on the block!

A Blessed Pilgrimage to the Shrine of Our Lady of Guadalupe

Our SBRs Rosary Club community enjoyed a beautiful and faith-filled day as they journeyed together on a special pilgrimage to the Shrine of Our Lady of Guadalupe in Des Plaines.

It began with an inspiring talk from the Very Rev. Esequiel Sanchez, who shared the rich history of the Shrine, once an orphanage, and the powerful meaning behind the Tilma and its sacred symbols.

Afterward, we joined the community in the Plaza to pray the Rosary with some of our very own students praying the Mysteries. A few of our students and parents also received the special blessing of carrying La Virgen de Guadalupe in the procession.

SBRs Food Drive, Let's Give from the Heart! November 10 - 21

The SBRs Student Council is proud to once again join our parish in collecting food items for families in need. Let's come together as a school community to make a difference! Please send non-perishable items such as canned goods, rice, or boxed pasta. But remember, no glass containers, please. Every donation helps bring warmth and hope to someone's table this season. Thank you for your generosity and school spirit!
