Dear Infant Jesus of Prague Families,

We hope you are having a great summer! We would like to take a moment to introduce ourselves to those of you who are new to IJP, as well as thank those of you who have been with us. We could not be more excited to start another year running the foodservice program at IJP!

We are a family owned and operated restaurant and food service company in the south suburbs. We specialize in cooking homemade, from scratch foods for your children. The lunches we serve to your kids at IJP are made fresh daily! Our lunch menus are highlighted by our restaurant quality specials. We focus on using whole fresh ingredients to create meals that will excite and satisfy your child. In our kitchens you will see things like fresh produce, unprocessed meats, whole grains and even our own family made olive oil. We treat your children as we treat our own! As the year progresses, we will be consistently updating the menu and offering new choices with a wide variety, while maintaining the highest quality with home-style recipes.

We will be using a new ordering system this year called SchoolBitez. The process for ordering lunches will remain the same. A monthly menu will be posted on the IJP website and families will be able to pre order which meals they would like to purchase for the month. Pre ordering for this upcoming school year will open on Friday, August 1st. Credit card payments will be accepted via the website at check out. We will also accept checks (Made out to Country House).

In order to take advantage of this new service, you will need to create a parent account for your student. It is quick and easy to create an account. Sign up instructions for SchoolBitez can be found at <https://ijp.schoolbitez.com>. This website will have step by step instructions for signing up. There is also information on how to use the SchoolBitez app right from your phone!

We continually strive to improve our service. It would be great to hear your suggestions and comments as we move along the school year. Please feel free to come by and talk to us at the restaurant any time. You can also make a quick phone call or send us an e-mail to hotlunch@ijpschool.org and let us know how we are doing. We would love to hear from you, and we are very proud to be a part of the IJP community!!

Sincerely,
Country House Restaurant and Kitchen Company
