Weekly Newsletter of Sts. Bruno & Richard School

NOVEMBER 2025
VOL. 67

Congratulations to Our October Jesus & Mary Award Recipients!

We are so proud to celebrate the students who were recognized as Devoted Followers of the Virgin Mary and Followers of Christ. These students have shown exceptional kindness, respect, and faith both in and out of the classroom. Their words and actions reflect the love of Christ and the gentle devotion of Mary, serving as wonderful examples for our entire school community. Keep letting your light shine brightly, we are so proud of you!

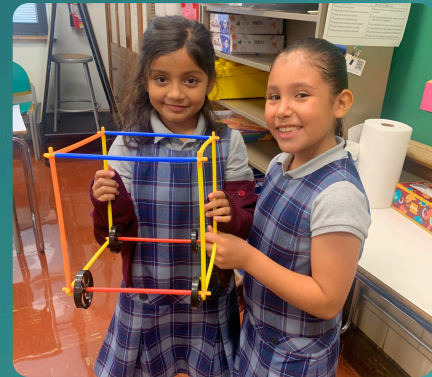

Congratulations Leonardo Cuatzo Ramirez (PK), Natalia Escot (PK); Ariana Rojas (K), Alonzo Peralta (K); Analia Giardado (1G), Matias Gutierrez (1G); Matteo Chavez (2G), Rose Salas (2G); Elysia Martinez (3G), Kody Liang (3G); Edwin Agueros (4G), Allyson Arroyo (4G); Alondra Marin (5G), Alan Velasco-Lechuga (5G); Gabirel Palacios (6G), Delilah Diaz (6G); Alissia Negrete (7G), Damien Lozano (7G); Leslie Anaya (8G), and Geovanny Pineda-Velasquez.

Our 3rd graders are having an absolute blast in the STEM Room! Once a week, they step into a world of imagination, exploration, and hands-on learning. From building tall towers and speedy cars with LEGO bricks and Magna-Tiles, to following step-by-step guides to bring their own creative ideas to life, their curiosity and creativity know no limits! They love it, some even choose to spend recess in the STEM room! What better way to learn than by building, experimenting, and having fun?

Weekly Wonder Spotlight: STEM WORKSHOP / ¡Maravilla de la Semana!: Salón STEM!

¡Nuestros estudiantes de 3.º grado se están divirtiendo muchísimo en el Salón STEM! Una vez por semana, entran a un mundo lleno de imaginación, exploración

y aprendizaje práctico. Desde construir torres altas y carros veloces con piezas de LEGO y Magna-Tiles, hasta seguir instrucciones paso a paso para dar vida a sus propias ideas creativas ¡Su curiosidad y creatividad no tienen límites! ¡Les encanta tanto que algunos incluso eligen pasar su recreo en el salón STEM!
