SEALED WITH THE HOLY SPIRIT: CONGRATULATIONS TO OUR SBRS 8TH GRADE CONFIRMANDI

We are so proud of our 8th-grade students who recently received the **Sacrament of Confirmation!** This is such a special and meaningful moment in their faith journey. Over the past months, they have worked hard to grow in their relationship with God and prepare their hearts for this important step. Through Confirmation, they are strengthened by the Holy Spirit and called to live out their faith with courage, kindness, and love.

We celebrate each of them and thank their families, sponsors, and teachers for their guidance and support along the way.

Congratulations! Keep them in your prayers as they continue to grow in faith!
